

ISVO board meeting October 11, 2014, Fort Worth, Texas, USA

In attendance:

Dr Robertson, Dr Seo, Dr Maggs, Dr Munger, Dr Peruccio, Dr Laus and Dr van der Woerdt. Notification of inability to attend the meeting was received from Dr Bedford

The meeting was called to order at 8:07 AM

ISVO meeting in Helsinki during the ECVO meeting of 2015

Dr Robertson described all the efforts that have gone into attempting to arrange an ISVO sponsored meeting around the ECVO meeting. Despite his efforts, it is not realistically possible to have an ISVO meeting independent of the ECVO meeting

The ISVO business meeting will likely be scheduled on the Wednesday of the ECVO meeting in Helsinki. This will either be early in the morning, or later in the afternoon

The Magrane lecture during the ECVO meeting will be sponsored by the ISVO

ISVO-Acrivat Scholarship

The previous scholarships awarded were discussed and all present were in agreement that this is a very worthwhile accomplishment.

Going forward, we will plan on offering 3 scholarships per year for \$2500 each. Two will be awarded in the spring and announced during the ECVO meeting. One will be awarded in the fall and announced during the ACVO meeting

Nominations

Several members will rotate off the ISVO board in 2015 and we need to start thinking about possible candidates to replace outgoing board members

Dr Gil Ben-Shlomo was mentioned as a possible candidate. Dr Robertson asked that everybody consider possible candidates from their region of the world

The meeting was adjourned at approximately 8:30 AM

Respectfully submitted

Alexandra van der Woerd

Secretary/Treasurer of the ISVO
